Executive Order 12372

Under Executive Order 12372 “Intergovernmental Review of Federal Programs” States, in consultation with their local governments, design their own review processes and select those Federal financial assistance and direct development activities they wish to review. The State of Illinois has elected to not participate in the intergovernmental review process. Check the box on the SF 424 cover page that indicates that the program has not been selected by the state for review.
