

Mission-Driven Science: Research and Careers at a Department of Energy National Lab

Interested in a scientific career but not in an academic setting?
Come learn about research conducted by scientists and engineers at Argonne and other National Labs. Learn about their creative approach to a better future with their research in clean energy, the environment, technology and national security and more.

*Kristene L. Henne, PhD
Postdoctoral Programs Lead
Leadership Institute
Argonne National Laboratory*

**January 21st at 12 noon
MBRB Auditorium (900 S. Ashland Ave.)**

Your Future in Science

Third Thursdays • Noon • MBRB
