

**7. Current and Pending Support** – List all proposals (a) currently pending and (b) funded over the past five years. Include all internal (UIC) proposals. List the most recent first. TC= Total Costs (Direct & Indirect). Project period should be actual or anticipated dates – note month and year. Note any potential overlap with proposed CRB project and indicate with an asterisk (\*) at the start of the title any project that is identical to the CRB project. If there are no current or pending projects, list “none”.
